Experience

Luis, a partner in our Tax Department, joined the Firm in 2011 after many years of professional practice in other law firms.

Luis specialises in tax for individuals and companies, frequently providing advice on M&A, venture capital operations, corporate restructurings, tax implications of financing structures, financial products, issuing of securities and real estate investments. He also has extensive experience in investment planning, particularly in foreign investments in Spain and Spanish investments abroad. He often leads legal teams in contentious tax proceedings.

Education

- Law Degree, ICADE (E-1), 1994-1999. Specialised in Corporate Law.
- Masters Degree in Corporate Tax Law, Instituto de Empresa, 1999-2000.
- Diploma for Advanced Studies in Tax Law, UNED, 2008.

Teaching

Professor of Tax and Financial Law, Universidad Carlos III de Madrid.

Luis frequently speaks at prestigious universities and business schools. His latest speeches include:

- Taxation of financial derivatives. Advanced Programme in Banking Law. Instituto de Empresa.
- Taxation of e-commerce. Masters Programme in Corporate Law. Universidad Antonio de Nebrija.
- Tax aspects of capital markets. Programme for Specialisation in Capital Markets Law. Instituto de Estudios Bursátiles.

- Effects of the Marks & Spencer case. Conference on International Taxation. ICADE.
