## Experience

Amado Giménez Bono is Partner of Ramón y Cajal Abogados and co-leads the firm's Finance & Banking Practice.

With over 20 years of experience advising the main financial institutions (banks and debt and investment funds), he specialises in structured, corporate and acquisition finance transactions (LBOs and MBOs), as well as in bank debt refinancing and debt restructuring and purchasing, both national and international, participating in important matters in the market.

He also has extensive experience in coordinating and executing public-private partnership projects under project finance schemes in the energy and infrastructure sectors.

He is recognised as one of the leading specialists in financial and transactional law by the main international legal directories, as well as by his colleagues, both in law firms and legal departments of companies.

As part of his legal practice, Amado holds the office of director and secretary of the boards of directors of various companies.
