experience

Member of the Firm since 2007, Carlos's experience is especially focused on advising public and private clients in all types of government and public sector law matters as well as on economic activity as it relates to public law.

He is particularly versed in public sector procurement and in public-private partnerships (PPPs) and in the regulation of certain sectors, including insurance, transport, energy, infrastructure (motorways, ports, airports), gambling and pharmaceutical law.

He is involved in all types of administrative and governmental proceedings and represents clients before the contentious-administrative courts.

Carlos has been recognised as one of the most talented lawyers under the age of 40 in Spain and Portugal in the "40 Under Forty Awards" 2017 awarded by Iberian Lawyer.
