experience

Senior Associate in the Tax Practice at the Barcelona office since 2015.

She has extensive experience in providing ongoing advice to companies and individuals, both in the field of direct and indirect taxation, as well as in business planning and restructuring operations.

She also has extensive experience in verification and investigation processes, carried out by the Tax Inspectorate, and subsequent tax proceedings, both in administrative and contentious-administrative proceedings.

Before joining Ramón y Cajal Abogados, she worked in the tax department of Ernst and Young Abogados for more than 9 years, continuing her professional career at Vialgis Asesores Legales y Tributarios and Laudis Consultor.
