## experience

She joined our Firm in 2014, after more than 10 years practising in various consultancy and law firms. She has specialised in data protection, intellectual property related to new technologies, e-commerce, distance procurement, computerised procurement and advice for social network and app developers.

María Luisa has participated in long-term projects related to privacy, compliance and data security in various multinationals and Public Administrations. She also offers extensive experience in audits conducted on data protection and security measures for organisations in the energy, healthcare, technological or transportation sector. She is CIPP/US, CIPP/E, Lead Auditor 27001 and Lead Auditor BS 25999.
